PUBLIC HEARINGS

- 1) Consideration of appeal to denial by the Zoning Board of Appeals for Charles Jamison/Gordon Clements 09-12-16V variance request

Hubbard motion to open at 6:14 p.m.; Bosch second; unanimous approval.

Jeff Watkins gave a brief explanation of the second request for a variance, which was denied by the Zoning Board of Appeals, encroaching into the side yard setback another 5 feet in order to build an additional 2 car garage there with an enclosed breezeway between the garage and house.

Charles Jamison, representing Gordon Clement, the property owner had both signed up to speak and when called Mr. Jamison said that there was no objections by the adjacent property owners and they could not move the garage to the front of the house, which had been suggested by one of the members of the ZBA, because it would require digging up the driveway and flower beds. Mr. Clement said that because of the way the lot ran and where the house sat, this should be considered a hardship. There were no other speakers. Hubbard motion to close at 6:27 p.m.; Johnston and Bosch second; unanimous approval.

During discussion, Chairman Ahrens asked Mr. Roy Taylor, current Chairman of the Zoning Board of Appeals to come up and give their perspective when they heard the case. Mr. Taylor explained that this request was the 2nd which had been received from Mr. Jamison on behalf of Mr. Clement; the first request was for a 35 foot variance into a 50 foot side yard setback in September, 2009, which was granted. Mr. Taylor said that on December 3, 2009, Mr. Jamison returned to the ZBA requesting an additional 10 feet, making the total encroachment 45 feet into a 50 foot side yard setback. Mr. Jamison stated that they had made an error in their assumption of the location of the property line. According to Mr. Taylor, the 2nd request was denied based on staff recommendations by a vote of 3-2.

Johnston motion to approve; Ahrens second; motion failed by a vote of 2-3. Hubbard made alternate motion to deny; Good second; motion passed by vote of 3-2.
