

DARE TO DREAM

We desire to help you cast a vision for your future,
which starts with your high-school education!

WHAT TO EXPECT: Your Dare to Dream group will tour several businesses that offer a range of career opportunities. You will hear from people in various positions. Each of these workers will show you what their day- to- day work entails and share why they enjoy their work. Throughout the day, you will learn various ways a career can enrich your life.

- Court dress code is appropriate. Participants must wear long pants and closed-toed shoes.
- Breakfast and lunch are included at no cost.
- D2D will provide all transportation to all venues.
- Participants need to be dropped off on time at the drop off location given at the time of registration. Please be prompt. The event will begin at the stated time. See your registration for times.
- All participants will receive swag bags, and we will end the day with a chance to win prizes from many local businesses.

Registration is completed through Taylor Garland, Juvenile Court Program Manager (trgarland@cherokeega.com). Email is preferred and quickest way to reach Mrs. Garland, although you can leave a message at 678-493-6256.
