Cherokee County Selected by Georgia Department of Public Health as a Site for COVID-19 Testing

The Georgia Department of Public Health has created a Specimen Point of Collection (SPOC) in Cherokee County. The SPOC site will be open starting the week of **March 23rd - 27th**. At this time, testing is **NOT** open to the general public and will be limited to persons 60 and older with symptoms of COVID-19.

Persons 60 and older with symptoms of COVID-19 must contact their Healthcare Provider to be screened and entered into the Public Health Referral System. They will receive an appointment time and "Person Under Investigation" (PUI) number. Those without a PUI number will not be tested at this time.

Again, testing is NOT open to the general public, and only those aged 60 and older with a referral from their healthcare provider and assigned PUI number will be tested.

Location: Cherokee County Government Complex
Address: 7545 Main St, Woodstock GA 30188
Hours of Operation: Monday – Thursday: 9:00 AM to 3:00 PM
Friday: 9:00 AM to 12:00 PM
